

# KO TE ANGA PŪTAKE ORA O NGĀTI MUTUNGA STRATEGIC PLAN 2024 - 2029

## POU TANGATA

He hiringa a nuku  
He hiringa a rangi  
He hiringa taketake ki te  
whaiao ki te ao marama

### OUR OUTCOMES

The well spring of Mutunga will not diminish. It is a source of our cultural narratives and collective understanding and learning which will be protected for future generations of Ngāti Mutunga.

We will foster strong and sustainable leadership and intergenerational ownership of our tikanga practices

### OUR OUTCOMES

- We enable and facilitate our uri to become confident in their Mutungatanga
- Our uri are knowledgeable in their whakapapa and connections
- We have limited resource so our approach is one of creating ripples and leveraging our human capital
- We make resources and opportunities available to our people
- We ensure that our resources have a sustainable life and are able to be captured and shared
- We have a governance succession plan in place
- Rūnanga advocating and influencing costs of living to improve outcomes for whānau

## POU TIKANGA

E kore e mimiti te puna  
koropupū o Mutunga!  
He puna kōrero  
He puna wānanga  
e mou ake ai i ngā  
whakaturanga

### OUR OUTCOMES

The well spring of Mutunga will not diminish. It is a source of our cultural narratives and collective understanding and learning which will be protected for future generations of Ngāti Mutunga.

Our ways of knowing and being and our cultural practice are central to our identity are delivered at place and support participation in key regions

### OUR OUTCOMES

- Sustainable strengthening of our pae, karanga, waiata, kitchen and gathering practices
- We find, nurture and create accessible pathways to build knowledge of our tikanga across all commitment levels
- Our Ngāti Mutunga tikanga is documented and shared
- Our history is documented, recorded and shared
- We partner with our schools and institutions to deliver initiatives that support our Ngāti Mutungatanga
- We promote the success of our whānau to build a sense of empowerment among our uri

## POU TŪRANGAWAEWAE

Rukutia te whenua  
Rukutia te rangi  
Rukutia kia ū,  
kia mou ki te tini o  
Mutunga

### OUR OUTCOMES

The concept of rukutia is to bind. Binding together all of those various strands of knowledge, understanding and ways of being to be treasured by uri of Ngāti Mutunga.

Strengthening our resource bank to contribute to our Mutungatanga

### OUR OUTCOMES

- Our identity is shaped by our landscapes and places
- Our wāhi tapu are documented and the information is made available through site tours, storyboards and resources
- Our archive of wāhi tapu information augments our resource creation and the knowledge about the wāhi tapu is preserved
- Urenui Pā is a place for our people to identify and connect with
- We support Urenui Pā Trustees in their roles as kaitiaki for the whenua and urupā
- Our uri feel confident and comfortable to return to Urenui for key events

## POU TAIAO

He tai ao  
He tai rangi  
He tai nuku  
He tai tāngata  
He tai ora

### OUR OUTCOMES

The concept that we are all part of the natural world/ environment (Taiao) which is made up of both tangible, intangible, physical, seen and unseen elements and that we as tai tāngata (people) have obligations and responsibilities that we must exercise to achieve tai ora intergenerational sustainability.

We will protect our Taiao, will be the best kaitiaki we can be and will grow whānau participation

### OUR OUTCOMES

- We restore and enhance the land we own
- We grow and strengthen the sense of kaitiakitanga among our whānau through participation in taiao kaupapa
- Our Iwi Management Plan is our guide in our mahi and in representing our views with national and local bodies
- We hold other stakeholders to account for their influence and impact on our whenua
- We take a long term view in exercising our kaitiakitanga – 1000 years

## POU PŪTEA

He kōpura whakaritorito,  
he ora whakatonu

### OUR OUTCOMES

Kōpura whakaritorito references a seed that sprouts new shoots and reminds us of the need to continue to grow small shoots to sustain the tribe over the long term.

We will have the greatest impact if we start small and create ripples and collaborate

### OUR OUTCOMES

- We have the capacity and capability to carve out our own path and to achieve whatever we want
- We generate sufficient funding to deliver our programmes
- We develop or participate in programmes that support and deliver financial literacy and cost savings opportunities for our people
- We leverage our relationships and resources and collaborate with those whose values align with ours
- We empower whānau and facilitate their succession into roles that support the iwi
